Dear Vendor:

The Utah Beehive Chapter of the Solid Waste Association of North America (SWANA) is conducting its biennial Solid Waste Symposium on March 16-17, 2010. It will be held at the Miller Business Resource Center, [www.mbrcsllcc.com](http://www.mbrcsllcc.com) located on the Sandy campus of the Salt Lake Community College at 9750 South 300 West in Sandy.

As you know, the solid waste industry is a diverse and complicated business and relies upon professionals like yourself and others to provide the latest in technologies and well as education and management practices to keep our communities and our environment safe.

We are looking for businesses to help support this event by becoming official sponsors. This symposium is an excellent opportunity for you to have face to face contact with those in the solid waste industry who make those critical decisions for their communities and clients. The symposium is going to include a table top trade show where sponsors will be able to highlight their business. Attendees will be visiting your tables during breaks and lunch, and all vendors will be recognized at our luncheon on the 16<sup>th</sup>.

Sponsorships levels are as follows:

Silver level- \$250 (Table Top Display)

Gold level- \$500 (Table Top Display, 1 free registration)

Platinum Level- \$1,000 (Table Top Display with choice of location, 2 free registrations)

Special Sponsorships- These are available to a limited number to sponsor our keynote speaker luncheon, as well as breakfast, morning and afternoon breaks and the Waste Disposal Facilities technical tour events.

If you are interested in exclusive sponsorship of one of these events, please contact one of the board member listed below.
